CABERNET SAUVIGNON | 21  
GREAT SOUTHERN

“frightfully quaffable”

A bouquet of ripe blackberries, plums and white pepper spice with underlying hints of vanilla and a slight herbal, earthy undertone lead into a delightfully smooth palate laden with juicy dark cherries and blackberries.

Intermingling with notes of cassis and a hint of mocha, this fruit-driven, approachable wine is balanced by a gentle acidity and velvety tannins, creating a harmonious and well-rounded mouthfeel.

The finish leaves a subtle suggestion of spice in this easy-drinking Cabernet Sauvignon from the Great Southern that truly is the epitome of quaffable enjoyment.
