CHARDONNAY | 20
MARGARET RIVER

“powerful & elegant”

Ripe tropical fruit aromas unfurl gracefully with subtle notes of citrus zest and white blossom.

The wine envelops the palate in simultaneous layers of sun-kissed peach, golden apple and pineapple, with a refreshing burst of lemon and bright acidity. The mouthfeel is opulent yet balanced.

Waves of citrus and stone fruit persist as toasted oak influences unfold, accompanied by a subtle minerality that speaks to the wine's terroir. Its enduring finish and luscious palate prevail in this Great Southern chardonnay that showcases both power and elegance.
