

EXALTA

PINOT NOIR | 21
GREAT SOUTHERN

“light & luxurious”

Delicate wafts of ripe cherries, raspberry and hints of violets intertwine in this light-bodied Pinot Noir that awakens the taste buds with a bright acidity.

A red fruit medley of cranberries, raspberries, cherries and red currants is balanced by gentle tannins, providing structure in this delicate light-bodied wine.

Subtle hints of white pepper spice meld deliciously with red fruits and a refined minerality so reminiscent of its cool-climate origins.

There's a graceful persistence in this wine with its vibrant fruit expression, balanced acidity and graceful texture that leaves a lasting impression.

Alcohol 13.5% | 8.0 Standard Drinks
