“pepper & spice
& all things nice”

Vibrant notes of ripe blackberries, plums and dark cherries infuse the air in this captivating blend of exotic spices, cinnamon and fruit.

This Shiraz delivers a sumptuous fusion of flavours on the palate where ripe, black fruits take centre stage in a delicious medley of luscious blackberry and plum flavours.

A well-integrated spice profile mid-palate with hints of clove, exotic spices and nutmeg is enrobed in velvety tannins with a long and lingering finish. Echoes of dark fruit and spice persist on the palate in this tantalisingly decadent wine.
